* Since 16-17 saw Kindergarten change to Full Time and some were already FT then the translation to FTE isn't doubling

Not shown in the table: (not defined as HC or FTE)

Program	15-16	16-17
Running Start (are these full time or part time in BGSD and how do they show on the records?)	426.50	493.89
Open Doors (they don't go to high school)	18.96	26.60

1) Why are HC and FTE reported? Definition of each and why is each used and is that at the district or state or both? Answer: Some programs use one and others the other. HC is the key

2) Which is reported to the state for funding purposes? Answer: headcount (HC)

3) Is student population up or down in total and by grade and program? **Total is DOWN 114**
